

## Special Request

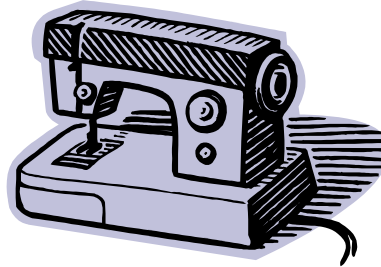

A customer has donated a goodly supply of material which she was using to make pillowcases for our troops. She is currently unable to continue this worthy effort but what she was doing was so heartfelt and selfless a cause I am asking all of you who know how to make pillowcases to come in whenever you have some time and make a pillowcase in her place that can be sent overseas.

I will help with the cutting but you will have to match your own materials and decide for yourself what you think matches. If you can't find what you are looking for in her stash I am sure there is something you might be able to add out of stock here at the store. I can't donate it but I will reduce the price on anything you feel you might need to purchase.

Wouldn't it be wonderful if we could send 50-100 or more pillowcases to our troops? Let's not let this person's efforts and investment go to waste. Let's finish her dream up for her! Come in anytime and make a pillowcase right here in the store - you'll have to know what you're doing - I don't!

## Email Buddies Bargains

Sewing Machine Tune-ups for email customers only.

**\$39.95 for July, 2010**  
(Must mention add price)

## License Plate frames

**\$4.99**

## Quilts & Crafts News

Foster Family Quilts

Authorized Dealer

## Dan's Corner

Have you ever had one of those months? This has been mine. My wife gave me her wedding ring to have it repaired and I lost it. Being the highly intelligent and totally terrified man that I am, I didn't tell her but went out and got her a shiny new one (MUCH BIGGER). Then when I finally did tell her she got up, looked around the house and found her old ring in the garage. My wife now has two, (2), 11, 1 +1, rings and she looks great in them. As you can tell from the writing I lived through this but am slightly flayed and well in debt!

(Truthfully though, if anyone ever deserved a gift it is my girl – she works till she drops and then works some more.)

## QUILTS, QUILTS, QUILTS

We are asking for donations of small quilts, 36 in by 45 to 60 inches, for Head Start classes. A minimum of 20 quilts are needed. The children will be taking their quilts home at the end of the year. There will be a tag on each quilt giving the name of the maker and our store and giving credit to the designer of the top. You supply the completed top and backing and we'll supply the quilting! We would like to make this an annual project as a way to give back to the community. We will also accept completed quilts that are child oriented.

## Sewing Machine Tune-up Special

The busy sewing season will soon be upon us. Bring in your sewing machine for a tune-up in July and pay only \$45.99 + tax for your service. That is a \$4 savings and we get your machines serviced fast! This offer only applies to those on our mailing or email customer list.

## Digitized Embroidery

We are now able to take artwork and some photographs and turn those into embroidery. For you who have embroidery machines, if you bring us your artwork we will turn them into an embroidery machine readable file for you for a minimal charge. Otherwise, we will make an actual picture for you that you can keep for years to come. Picture prices will vary depending on the size and complexity.

**Asking a  
quilter to mend  
is like asking  
Picasso to  
paint your  
garage.**

## CAN I BE HONEST?

We have too many of the wrong goods in our store. We got into this business because there was no place to buy a spool of thread anywhere nearby. We had never had a store and made a lot of purchasing mistakes.

Our mistakes have to be remedied. To this end, I am going to put a sticker on every item in the store I want gone - hundreds of them! That sticker will guarantee you 25% off. **Yes, there will be fabric included.**

We have got to clear out old inventory to make room for and pay for new goods. July will be your month to save!
