

YOU WON'T BELIEVE THIS!

Our promised changes are here! We have had a busy February retooling our store and our eBay Store to meet your fabric and notions needs.

We have repriced all of our fabric. Literally hundreds of bolts of material are now \$4.99. This is not junk we picked up at some sale – this is our current inventory. We want to move it out and keep our prices down. There are still some more expensive things – our newest lines and things we paid so much for we can't lower the price and stay in business but we are doing our part against the economic challenges of the times.

There is no need to shop out of town to find a great price and you know great service is what we offer.

best time this is it!

25% off

our already discounted prices

All table models!

These machines come
with full factory
warranties.

I want to put out some
new machines!

Machine Quilting

Barbara is now busily quilting away at her new site. She comes to the store on Mondays and will come for special appointments as needed. Drop off and pickup will be here at the store.

Serger Class

Barbara is planning a serger class. She will take the students through a project that will show them how to get more out of this least understood and most capable of machines. We will set a day and time for the class and ask that all the participants bring in their sergers a few days early so we can make sure that they are ready to sew. (Adjustments only.)

If you are interested please let us know and we will put your name on the signup list.

Coupon

30% off

**all notions that can be
stuffed into our white
plastic shopping bags.**

Does not include fabric or sewing
machines

Coupon good thru 3/31/2010

Dan's Corner

You know what I hear more than almost any other comment when people come into the store?
“Where’s the bargain section?”

Well, Barbara and I decided our whole store would be a bargain section, all the time. We’ve lowered our prices and they will keep going down as we replace old stock.

“Why would you do this”, you might ask? We believe in what we do and where we are doing it and want to be an even better store than we have been in the past. We want to offer real bargains to our customers everyday.

If you haven’t been in to see the changes yet you will not recognize the place or the prices. Everything is open and airy and ready to provide you with a great buying experience – Join us.
